

FALL 2026 ANNUALS, PERENNIALS & GROUND COVER

OFFICE: 770-339-0854 • FAX: 770-995-9271

WEB: QUAILHOLLOWNURSERIES.COM • EMAIL: INFO@QUAILHOLLOWNURSERIES.COM

Quail Hollow Nurseries, Inc. is a third generation family owned and operated company. Since 1989, Quail Hollow has made plant quality and customer service our main priority. We are your one source for quality annuals, perennials, and ground covers.

DELIVERY

Quail Hollow Nurseries offers delivery to all major metro areas in the Southeast. Please call for information and delivery schedules.

TERMS

Quail Hollow offers a credit account to approved customers. Net 45 terms are available with approved credit. Please contact a representative for credit applications or if you have any questions.

PRICING

Please call a representative for pricing. Quantity discounts may apply.

GUARANTEE

Quail Hollow makes no expressed or implied warranty of any kind except that the plants are true to variety and will be properly cared for while in our possession. In rare instances when claims need to be made, Quail Hollow will not be responsible for more than the price of the plant material at the time of purchase. All claims must be made immediately upon receipt of plants.

PROJECT NOTES:

FROM ATLANTA: Go north on I-85 to Highway 316. Continue following Highway 316 to Gwinnett County Airport (Briscoe Field) Continue past the Airport entrance for 2.2 miles to Fence road. Turn left on Fence road and continue for 3.3 miles to Bailey Road. Turn right on Bailey Road and go 0.7 miles. Quail Hollow Nurseries is on the Right.

FROM THE NORTH - Go I-85 South to Exit 120 Hamilton Mill Rd, exit to the left. At the first light (Hwy 124) turn Right. Go approximately 1 mile to the next light at Hwy 324 turn Left. Follow Hwy 324 approximately 4 miles to Bailey Rd turn Right, go approximately 1/4 mile. Quail Hollow will be on the left.

3410 BAILEY RD., DACULA, GA. 30019

OFFICE: 770-339-0854

FAX: 770-995-9271

Quail Hollow Nurseries Inc is involved in a closed loop recycling program. Our program is a five step process:

1. Horticultural containers are engineered and manufactured using materials and processes that allow for recycling of the containers.

2. These containers are purchased by Quail Hollow Nurseries and used to grow plant material.
3. Used containers are recovered from our customers and palletized to be returned to our container supplier.
4. Containers are then processed by our supplier into clean plastic regrind and then pelletized.

5. New containers are manufactured using the recycled pellets thereby closing the loop.

The best way to achieve sustainability is to recycle and reuse what we create. With this in mind, it is obvious that the most sustainable growing container is one made from recyclable plastic. We have started the loop with our recycled plastic containers and invite you to help us close it.
